

## CAR PARK CLEANING

Enviro Green Clean Services will rejuvenate and restore your car park and make it a more pleasant and safer environment for your customers and your staff.

We will schedule a programme to suit your needs on a weekly, monthly or quarterly basis, this will be part of your "programmed maintenance" for regulatory compliances.

We can clean car park surfaces, ie, tarmac, concrete and painted concrete.

The Enviro Green Clean Services can remove oil and petrol marks, dust and dirt, carbon monoxide and other residues that become impregnated in your car park. We use the latest environmental chemical solutions to achieve the best results.

*For further enquiries please contact our team on 1300 091 591, email: [info@egcservices.com.au](mailto:info@egcservices.com.au) or visit us at [www.envirogreenclean.com.au](http://www.envirogreenclean.com.au)*
